"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values were presented are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

SKODA

Selection: Key Equipment

SAFETY
Driver & front passenger airbags
Front side & curtain airbags
Driver monitoring system
Driver knee airbag
Lane assist
Traffic sign recognition
Hill hold control
Remote control central locking
Seatbelt warning system
Electronic stability control (ESC)
Front assist: Forward collision warning incl. emergency brake & pedestrian recognition
iSOFIX child seat anchor points (2x rear)
Trailer hitch preparation
Emergency call (e-Call)
Tyre pressure monitoring system (TMPS)

FUNCTIONAL
Climatronic dual-zone air conditioning
Infotainment system incl. 8” touchscreen display, voice control, USB port, 8 speakers & DAB radio
Front and rear parking sensors
Rear view camera
Adaptive cruise control incl. speed limiter
Automatic rain & light sensors
Auto-dimming rear view mirror
Kessy Full – Keyless Entry/Go system
Power folding exterior mirrors –driver incl. auto-dimming function
8” Digital driver dashboard display
Bluetooth® phone / audio streaming
Smartlink (Apple Carplay / Android Auto)
Remote Access (3-year subscription)

INTERIOR
Black ‘Loft’ fabric upholstery
Chrome look decorative inserts
Front seats incl. height adjust (Manual)
Front seats incl. lumbar support (Manual)
Front armrest incl. storage compartment
Split folding rear seat incl. rear armrest
Leather multi-function steering wheel
Front overhead storage & reading lights
Sun visors with LED illuminated mirror

EXTERIOR
17” Scutus Silver alloy wheels
Spare wheel, tool kit & jack
Front & rear fog lights
LED headlights incl. daytime running lights
LED tail lights incl. dynamic indicators
‘SUNSET’ dark tinted privacy glass
Chrome roof rails, window surround & door sills

SKODA

Selection+: Key Equipment

The Selection+ trim builds on the already comprehensive specification levels of the Selection with a further emphasis on elegance, technology and design.

Equipped with many of the most popular features, additional/replacement equipment on the Selection+ includes (in addition to Selection):

18" Miran Black aero alloy wheels

Drive mode select

10.25" Digital driver dashboard display

Heated front seats

Leather heated steering wheel (incl. DSG paddles)

Wireless charging ring (subject to device compatibility)

Suite design selection:
- Black leatherette upholstery
- Piano Black decorative inserts with chrome elements
- Rear reading light

8" Infotainment system with navigation:
- 8" touchscreen display
- Navigation
- Remote access & Infotainment online (3 year subscription)

SKODA

Sportline: Key Equipment

With sharp, sleek details both inside and out, the special edition Sportline is distinctive from every angle. Packed with exclusive styling, the Sportline will ensure you can indulge your thirst for adventure in total comfort. Key equipment on the Sportline includes (in addition to Selection):

18" Hydrus black polished alloy wheels

Matrix LED headlights incl. variable light distribution & headlight washers

Front fog lights incl. cornering function

Sportline exterior styling pack:
- Front & rear sports bumpers
- Black exterior mirrors & front grille surround
- Black roof rails

LED interior pack:
- Ambient lighting
- Footwell & reading lights

Driving mode select

10.25" Digital driver dashboard display

Wireless charging ring (subject to device compatibility)

Heated front seats

Leather heated sports steering wheel (incl. DSG paddles)

Sportline interior styling pack:
- Black thermoflux fabric upholstery Front sports seats
- Dark interior headliner
- Front & rear floor mats
- Aluminium sports pedals
- Carbon / Black inserts

ŠKODA

HVO (Hydrotreated Vegtable Oil)

Fuel your new diesel Škoda with HVO and reduce emissions by up to 90%

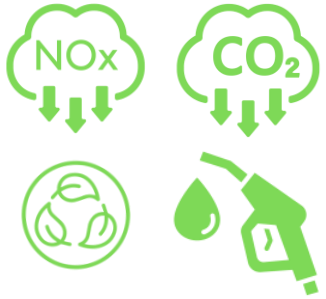

What is HVO?

HVO is a fuel replacement or alternative for compatible diesel engines. HVO offers a cleaner way to fuel by providing up to 90% reduced CO2 emissions. Unlike first generation biofuels, which are made from crops such as rapeseed and soy, Hydrotreated Vegetable Oil (HVO) is a second-generation biofuel made from pre-existing bio-waste products, primarily used cooking and vegetable oil from food industry waste. Manufactured from renewable and sustainable waste, HVO is a paraffinic drop-in fuel designed as a direct replacement for diesel. It meets the international fuel standard EN 15940. HVO can provide full lifecycle greenhouse gas (GHG) emission savings of up to 90% when compared to conventional diesel fuel.

What are the benefits?

Sustainability – Made from sustainable and renewable raw materials, HVO reduces carbon emissions by as much as 90%. This enables households and businesses to make an immediate reduction in carbon emissions and reduce their environmental impact.

Improved Air Quality due to a reduction in particle and nitrogen oxide (Nox) emissions compared to diesel

Performance – Your vehicles performance will be indistinguishable from diesel with the fuel performing better under certain circumstances such as cold winter conditions

Direct Drop-In – No modifications are required to new Škoda's in order to use HVO. HVO and diesel fuel can be interchanged and mixed in any ratio or concentration.

Price – currently many fuel suppliers in Ireland are providing HVO at a comparable or equivalent price to diesel. So there is no additional cost to switching

Where can I get HVO for my Škoda?

HVO is already available at selected Certa and Circle-K outlets in Dublin, Tipperary, Carlow, Cork and Donegal with availability improving all the time.

How do I know if my Škoda is compatible with HVO?

Only Škoda vehicles from "Model Year 2022" (not registration in 2022) are compatible with HVO. You can identify if your Škoda is HVO compatible by the lettering "XTL" detailed inside the fuel filler flap. If you are unsure of your vehicles model year please contact your Škoda Dealer. Biodiesel or vegetable oil should not be used in Škoda vehicles and these products should not be confused with HVO. Only HVO that meets standard EN 15940 should be used in Škoda vehicles.
