"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values were presented, are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

ŠKODA

Enyaq Coupe Selection 60/85: Key equipment

SAFETY

- Side Assist – blind spot monitoring system
- Crew protect assist
- Driver monitoring system
- One pedal driving technology
- Mobile digital key* inc. 2x physical keys
- Adaptive lane assist incl. emergency assist
- iSOFIX child seat anchor points
- Anti theft alarm
- Turn assist incl. cross road assist
- Tyre pressure monitoring system
- Front side airbags with curtain airbag
- Driver & front passenger airbags
- Front assist: Forward collision warning incl. emergency brake & pedestrian recognition

FUNCTIONAL

- Climatronic 3-zone air conditioning
- Predictive cruise control incl. traffic jam assist
- Kessy Full – keyless entry/go system
- Front & Rear parking sensors
- Rear view camera
- Drive mode select
- Virtual pedal – electric tailgate
- Power folding exterior mirrors
- Automatic rain & light sensors
- Auto-dimming rear view mirror
- Wireless charging ring (subject to device compatibility)
- Vehicle to load (V2L) readiness (adaptor required)
- 21 litre front trunk
- Infotainment pack:
  - 13” touchscreen display
  - Navigation system
  - Bluetooth & Voice control
  - Smartlink (Apple Carplay / Android Auto)
  - 2x USB-C ports & 8 speakers
  - Online services (10 years subscription)
  - 10GB monthly data pack (3 years subscription)

INTERIOR

- Heated front seats
- Suite leather upholstery
- Ventilated front seats
- Front centre armrest
- Split folding rear seats incl. rear centre armrest
- Front & rear floor mats
- Storage compartment in boot
- Leather heated steering wheel (2-spoke)
- LED interior pack:
  - LED ambient lighting
  - LED footwell lights
  - ‘Welcome’ style logo projection within door

EXTERIOR

- 20” ‘Vega’ silver alloy wheels
- LED headlights
- LED tail light
- Fixed panoramic glass roof
- ‘SUNSET’ dark tinted privacy glass
- Chrome window surrounds
- Chrome roof rails
- Tech deck front grill

*Please note that mobile digital key will not be activated until a later date, a further MySkoda update will be sent once available.

ŠKODA

Battery & Charging

An electric vehicle's power is not determined solely by the power of the electric motor itself, but also by the power that the battery is able to deliver. As such, the value cited for the car's power is determined by the entire drive system.

Battery	DC charging power	System power output*
59 kWh	105 kW	140 kW
82 kWh	165 kW	210 kW
82kWh - RS	165 kW	250 kW

*The availability of the maximum electrical output could be limited. The amount of power available in individual driving situations depends on various factors, such as ambient temperature and the charge status, temperature and condition or physical age of the high-voltage battery.

Electric vehicles can be charged at public charging stations much like you would refuel a normal car at a petrol station. These charging stations are powerful so they can recharge vehicle's batteries rapidly. Most users, however, will generally use a home charger – a Wall box – or an ordinary power socket. This charging takes longer, but hooking up to the grid is an automatic process and you can charge the batteries overnight, or at any time you are not using the car, without having to be present.

Source	Charging	60	85	85X	RS	Cable
Home socket	Charging power Charging time (0-100%)	Max 2.3 kW >24 hours	Max 2.3 kW >24 hours	Max 2.3 kW >24 hours	Max 2.3 kW >24 hours	Mode 2
Wallbox (3-phase)	Charging power Charging time (0-100%)	Max 11 kW 6.30 hours	Max 11 kW 8.30 hours	Max 11 kW 8.30 hours	Max 11 kW 8.30 hours	Mode 3
DC fast charger	Charging power Charging time (10-80%)	Max 105 kW 26 mins	Max 165 kW 29 mins	Max 165 kW 29 mins	Max 165 kW 29 mins	Mode 4 – part of charging station

- All charge times are average and can vary depending on certain conditions, such as temperature and power supply available.

Škoda EV Plan: €1,250 optional addition

The new Škoda Enyaq Coupe uses the latest materials and technologies that requires expert skills and knowledge when it comes to maintenance and care. For your convenience we have compiled a Škoda EV Plan to provide up to 39% savings when compared to purchasing the services and components separately. See below for what is included in the Škoda EV Plan.

Routine Inspection 1 & 2 comprises of Electronic Health Checks to ensure your vehicle is free from faults and functioning correctly.

Service Interval Maintenance
High voltage component checks, Brake Fluid Change, Pollen Filter Replacement and a Coolant refill are the main tasks carried out by technicians during this service.

4 Low Rolling Resistance Tyres provide better battery range and low cabin noise levels. They are likely to be the most expensive operating cost you will experience during the lifetime of the vehicle.

Brake Pads may require replacement during the Service Interval or if the vehicle signals the driver on the infotainment display.

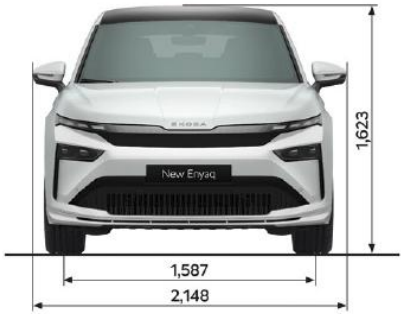

Wiper Blades ensure maximum visibility and safety. A set of wiper blades is included in the Tyre & Maintenance Plan.

Tyre and Maintenance Plan Summary: Replacement Tyres - As required €1,240, Mode 2 Charging Cable for backup/domestic charging (supplied at delivery) -€274, Inspection 1 & 2 - Electronic Vehicle Health Check, Functionality and Fault Assessment -€70, Routine Service Maintenance - High Voltage Component Check, Running Gear Assessment, High Voltage Battery Status, Brake Fluid Change, Pollen Filter Replacement, Top-up Cooling System Levels- €209, Brake Pad Replacement - As required-€175, Wiper Blade Replacement - As required -€96. Total value if purchased separately €2,064. As part of Škoda EV Plan €1,250 (saving of 39%). Price based on component recommended retail price and average dealer labour rates. Tyre prices are based on 21" Self Sealing Technology. Please discuss your Škoda EV Plan requirements with your local ŠKODA Dealer.
