## PEUGEOT BOXER

**New PEUGEOT BOXER is the largest model in PEUGEOT's van line-up. Alongside an upgraded exterior and interior design, it features a new electric powertrain providing impressive enhancements to the range, latest-generation connectivity and more sophisticated driving aids.**

The new BOXER's updated exterior styling reinforces its robust and attractive design while optimising its aerodynamic efficiency. The interior of the BOXER has also been extensively overhauled with a new steering wheel design, instrument cluster, dashboard, seat fabrics, and door panels.

PEUGEOT BOXER

## PEUGEOT BOXER | STANDARD EQUIPMENT BY EDITION

### PANEL VAN

#### COMFORT AND CONVENIENCE

- Air conditioning
- Rear parking sensors
- Front electric windows
- Door mirrors with electrically adjustable, heated upper mirror & lower blind spot mirror
- Cruise control with variable speed limiter
- Two cup holders, mobile phone storage (Centre console) & Bottle holders (Door card)
- Electric Power Steering
- Coat hangers – Driver & Passenger

#### EXTERIOR FEATURES

- Side rubbing strips
- Steel wheels with black centre cap
- Twin unglazed rear doors (opening to 180°)
- Nearside sliding side loading door
- Aerodynamic kit:
  - Central Spoiler
  - Air Guides
  - Active Grille Shutter

#### SAFETY AND SECURITY

- Fixed full width steel bulkhead
- Electronic stability control (ESC)
- Driver's airbag
- Double passenger airbag
- Dead locks
- Spare wheel
- Security alarm
- Rear visibility camera with dynamic gridlines
- Tyre Pressure Monitoring System (TPMS)
- Safety Kit:
  - Advanced Emergency Braking System (AEBS) - Pedestrian and Cyclist
  - Lane Keep Assist
  - Traffic Sign Recognition
  - Driver Drowsiness Detection
  - Intelligent Speed Assist
- Global Telematics Box

#### SEATING

- Driver's seat with height, rake, reach and lumbar adjustment
- Driver's seat armrest
- Dual passenger bench seat
- Storage under driver's seat

#### TECHNOLOGY AND ENTERTAINMENT

- 7" DAB Radio Bluetooth® with Mirror Screen
- 12v Socket in dash
- USB A Socket in dash
- MFD cluster screen with driving information (Diesel)

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our Prices and Specifications brochures or contact your local Peugeot Retailership for the most up-to-date prices and specification details for all models. CO2 figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the

certified CO2 emission output. WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO2 values of other vans tested to the same technical standard. The fuel consumption achieved, and CO2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is

used to measure fuel consumption and CO2 figures.
