

The Kia K4

Movement that inspires

Movement that inspires.

We believe in movement that inspires.

Technology that exceeds expectations. The Kia K4 redefines its class with confident, stand-out design and generous proportions. Discover a spacious, sophisticated cabin with cutting-edge tech for a premium driving experience. With a range of powertrains to suit every kind of driver as well, including mild hybrid options¹ and a full hybrid K4 arriving soon.

Exterior

Modern, elevated design.

Bold, assertive front profile.

Sharp horizontal lines contrast with vertical elements, while the Star Map light signature and LED cube headlights add a modern, sporty edge.

Striking silhouette.

With a low roofline, unique C-pillar element and hidden rear door handles, the K4's streamlined shape is both sporty and effortlessly refined.

Driver Assistance & Safety

Safer, smarter driving.

Blind-Spot Collision-Avoidance Assist.

When you signal a lane change, you are warned if a risk of collision is detected with a vehicle beside you or approaching from the rear. The system even interacts with your steering if the risk increases. Blind-Spot Collision-Avoidance Assist also watches out for you when pulling out of parallel parking spaces, warning you about oncoming traffic behind you.

Forward Collision-Avoidance Assist 2.0.

FCA 2.0 gives you added peace of mind and helps you to avoid any potential collisions with pedestrians, cyclists and other cars on the road. If you are not applying the brakes hard enough to avoid collision, your K4 will do it automatically. This technology also helps you avoid collisions with an oncoming vehicle while turning at an intersection or crossing it, as well as in other driving scenarios.

Smart Cruise Control 2. This technology helps to maintain a safe speed according to road conditions while driving on a motorway. It automatically reduces the speed in sections of motorways with tight curves, in order to keep the driver and passengers safe. And it resumes acceleration to pre-set levels thereafter.

Warranty & Maintenance

Service Intervals & Plans

A warranty with peace of mind

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with great owner benefits when you buy your Kia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty and 8-year battery pack warranty on all EV, plug-in hybrid & hybrid models.

Kia Charge gives you access to the majority of public charging infrastructure in Ireland and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the AA Ireland. All new cars have complimentary cover for 3 years (36 months) from the first date of registration, giving you the highest level of cover provided by the AA, including onward travel and European cover.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.
