

MG HS PHEV

Find your Happy Space.

FEATURE-FILLED & FAMILY-FRIENDLY

From style to tech to capability, the MG HS Plug-in Hybrid (PHEV) has all the features for everyone to find their Happy Space.

Space for relaxing

The MG HS PHEV offers excellent cabin space, meaning there's plenty of room for everyone to relax. Plus, there's up to 1,484 litres of boot capacity - with space for sports gear, weekend luggage or the family dog.

Space for performance

Relax at the wheel as the Plug-in Hybrid powertrain offers up to 120KM* of EV range - whilst the 1.5T petrol engine delivers 142PS of power and 235NM of torque.

The Plug-in Hybrid model is also sprightly for a large SUV, taking you from 0 to 100kph in just 6.8.

Space for practicality

Your MG HS PHEV is loaded with features to help make every journey effortless - including wireless charging**, dual 12.3" screens and MG Pilot driver assistance for smoother, safer driving.

*Range figures provided are calculated under test conditions. EV only driving range of 120KM WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. **Exclusive model only.

SPACE TO FEEL HAPPY

Life feels better when there's room to breathe. That's why the MG HS PHEV has been designed to give you more space to load up, sit back and relax.

There's generous leg and headroom for everyone, front and rear. Not to mention 507 litres of boot space, expanding to 1,484 litres with the rear seats down. You can make your journey even easier with a smart, hands-free tailgate in the Exclusive edition.

Perfect practicality, whether you're heading off to the shops, the school run or a weekend escape.

TECH TO FEEL GOOD ABOUT

Step inside the cabin of the MG HS PHEV, and you'll find more advanced tech features to make life simpler and smarter.

At the heart of your dashboard is a 12.3" HD Virtual Cluster that puts everything, from your sat-nav to your favourite songs, at your fingertips. Its intuitive design means you get complete control with zero complexity.

The MG HS PHEV's host of intelligent systems includes iSMART technology, helping with everything from providing Wi-Fi to heating the seats on frosty mornings. There's our innovative driver safety system, MG Pilot, as well as Apple CarPlay™ and Android Auto™ compatibility.

Plus, to help you manoeuvre with complete confidence, the 360° HD camera* gives you total visibility all around and even, on the Exclusive edition, underneath your MG HS.

A DRIVE TO ENJOY

Every time you take to the road in your MG HS PHEV, our advanced powertrains deliver a premium, effortless drive.

The latest generation Plug-in Hybrid powertrain combines intelligent hybrid technology with enhanced efficiency and power regeneration. Enjoy up to 120km of EV range* and a combined range* exceeding 1,000km with the 1.5T petrol engine. With MG's 7-year warranty, the MG HS PHEV offers exceptional performance and peace of mind, without compromise.

Multi Function Steering Wheel

All this performance is in easy reach with the multi-function steering wheel. Set your Cruise Control, flick through Driver Display menus, activate voice recognition and more, with controls beautifully set in a brushed aluminium and perforated leather effect design.

*Range figures provided are calculated under test conditions. EV only driving range of 120kms WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. Combined range refers to the range of the hybrid system and the petrol engine together.

MG iSMART: INTUITIVE INTERACTION

With our innovative iSMART technology, you don't just control your MG HS PHEV, you also communicate with it.

With a range of smart functions that allows you to; locate your MG HS PHEV in a crowded car park, get the kids on Wi-Fi ready for a long journey ahead, or even start heating the seats in advance, so they're just the right temperature when you step inside on a cold morning.

iSMART features include:

- Locking and unlocking the doors
- Finding your parked MG HS PHEV
- Monitoring fuel levels, driving range and tyre pressure
- Wi-Fi hotspot**
- Travel planning
- Pre-starting climate to cool or heat cabin ahead of journey
- Pre-heating seats for cold mornings*

*Exclusive model only

PLUG-IN TO HAPPINESS

Our new generation of MG HS Plug-in Hybrid upgrades its already impressive electric performance to help you go further, while shrinking your carbon footprint and fuel bills.

The MG HS PHEV delivers up to 120kms* of electric range thanks to its 24.7kWh battery. Perfect for short urban commutes, this extended EV range helps you maximise efficiency while minimising emissions.

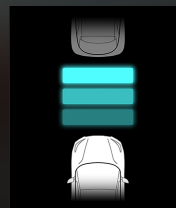

*Range figures provided are calculated under test conditions. EV only driving range of 120km WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration.

MG PILOT

When you start up your MG HS PHEV, MG Pilot is ready to make your drive smoother, smarter and safer. This suite of clever technologies gives you the support of an extensive range of Advanced Driver Assistance Systems (ADAS) as standard - including everything from alerting about potential hazards to monitoring speed.
