Nissan X-Trail with e-POWER. Fit in more family adventure

Introducing Nissan's latest family adventure crossover, powered by a unique e-POWER technology for a quiet, electrified drive with no need to plug - in.

For superior control and a unique electrified experience, choose e-4ORCE, the all-wheel drive technology available with e-POWER.

Nissan X-Trail is a spacious crossover with up to seven seats*, and everything you need to keep your family safe and comfortable with advanced Nissan's safety technologies.

With cutting-edge connectivity* to keep everyone entertained, the All-New Nissan X-Trail shows that family-friendly trailblazing is possible.

*Feature available depending on version, as standard or only as option (at an extra charge).

Never compromise on style,
in Nissan X-Trail

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable V-motion grille bears the familiar signature of Nissan's exciting design DNA to show that this electrified family crossover refuses to blend into the background.

Strong front fascia

20" Alloy Wheels*

Front Signature lamps

Rear Signature lamps

e-POWER badge*

e-4ORCE badge*

*Feature available depending on version, as standard or only as option (at an extra charge).

Close the door on the chaos outside

With up to 35"* of interior displays to supplement your drive, you're guaranteed to experience Nissan technology at its best. Enjoy advanced Nissan Driver Assistance* and HD navigation* displayed right in your view as you settle into your comfortable, ergonomically designed seat. Wondering where to place your belongings? Don't miss the storage space beneath the floating central console. Inside the X-Trail's cabin, it's all about quality details – the relaxing atmosphere of ambient lighting*, the soft feel of premium materials and the seamless convenience of wireless charging* for your smartphone.

12.3" Fully digital metre*
10.8" Windscreen Head-up display*

12.3" HD NissanConnect display*

Smart Rear View Mirror*

Driving Aids*

15W fast wireless charger**

Ambient lighting*

*Features available depending on version, as standard or only as option (at an extra charge).

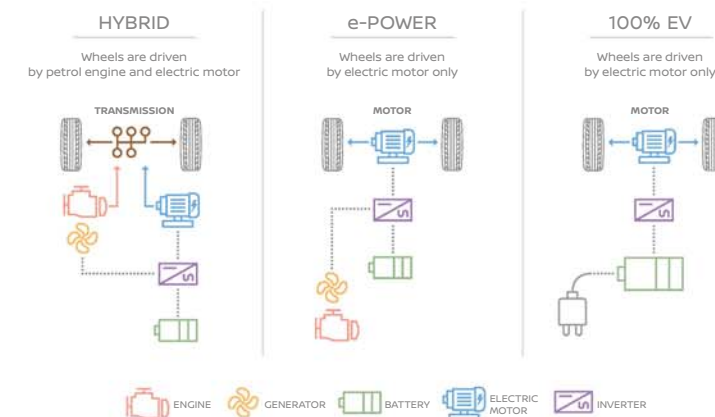

**Designed to the Qi charging standard & optimised for Qi certified devices. For non-Qi certified devices, wireless charging performance can be limited.

The unique electrified experience, now unplugged. This is Nissan e-POWER

With Nissan e-POWER, pioneering doesn't have to pause. e-POWER is a unique electrified technology composed of a fuel efficient petrol engine charging a battery. The battery then provides electricity to a motor driving the wheels. The result is a responsive and quiet driving sensation without the need to plug in and recharge. Just exhilarating and stress-free driving with no compromise on fuel economy.

Digital combimeter with energy flow*

SIMPLIFY YOUR DRIVE, WITH e-PEDAL STEP
Experience a more intuitive way to drive. Unique to Nissan, e-Pedal Step gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 10km/h, leaving the brake pedal for harder braking and coming to a complete stop.

*Features available depending on version, as standard or only as option (at an extra charge).
Vehicle has been homologated in accordance with EU regulations using the more realistic WLTP test procedure.
NEDC values are therefore not available for this vehicle.

Reinvent your all-wheel drive experience, electrified. With e-4ORCE

Playgrounds are not meant to have boundaries. Take on new terrains in confidence with Nissan's unique all-wheel drive technology, now available on X-Trail. e-4ORCE* delivers the perfect balance between powerful and unprecedented control, with a smooth ride for all family thanks to superior handling on any surface. Tailor your drive even further with 5 selectable Drive Modes, including Normal, Sport, Eco, Off-road and Snow Mode for unmatched levels of comfort.

4x4 Drive mode wheel switch*

*Feature available depending on version, as standard or only as option (at an extra charge).

Safety First is Second Nature

X-Trail is equipped with advanced ProPILOT Assist* with Navi-link safety technologies designed to read the road ahead and adjust your drive accordingly, keeping you and your family safe for maximum peace of mind.

ProPilot Park** makes journeys with the family even easier. It can automatically detect a parking space that fits and then manoeuvre you effortlessly in with fully automatic control of the steering, braking and accelerator. And thanks to Around View Monitor**, all-round reassurance comes from a 360° view of your car with selectable focus on front, rear and kerbside views.

X-Trail, with its suite of active and passive safety technologies, has achieved a 5 star EuroNCAP safety rating.

INTELLIGENT CRUISE CONTROL keeps your distance by measuring the space from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT FORWARD COLLISION WARNING keeps an eye on up to two vehicles in front of you. If the system detects a sudden deceleration ahead, you hear an audible and visual warning to slow down.

REAR AUTOMATIC BRAKING helps you back-up with confidence. If a stationary object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a collision.

EMERGENCY LANE KEEPING A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

INTELLIGENT EMERGENCY BRAKING spots objects and applies the brakes if there is a risk of a low-speed collision with a car, pedestrian or cyclist. Added Junction Support improves safety further by helping to avoid collision at junctions.

*ProPILOT Assist is available on a limited range of vehicles and only on Automatic Transmissions. ProPILOT Assist is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT Assist is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers). Navi-link supports traffic sign recognition which may not detect and read all traffic signs in all conditions. Driver should monitor all traffic sign and obey traffic laws.

It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time.

**Feature available depending on version, as standard or only as option (at an extra charge).

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply.

Seamlessly connected to your world

The 12.3" HD touchscreen⁽¹⁾ in the New Nissan X-Trail is your portal to NissanConnect: our connected car technology featuring intuitive navigation and advanced technology. Our smartphone App offers a growing range of services including sending journey plans to your new Nissan X-Trail. When inside your car, connect your phone to start using your preferred Apps thanks to Apple CarPlay^{®(2)} and Android Auto^{™(2)}. And wherever you are, it keeps you informed about the status of your car. You're all set for your adventures on the go.

GOOGLE ASSISTANT* AND ALEXA^{®(6)} COMPATIBILITY
Use NissanConnect car capabilities to control your vehicle or home by voice command using Alexa or Google Assistant*. Free service ⁽⁷⁾

⁽¹⁾ HD touchscreen is only available in SV Premium and above grades
⁽²⁾ Apple CarPlay[®] and Android Auto[™] are available free of charge, depending on model and/or grade.
⁽³⁾ Connecting a mobile phone to use NissanConnect should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.
⁽⁴⁾ To use the NissanConnect services you need a NissanConnect user account and have to register and log in to NissanConnect with your username and password. To use the free NissanConnect App, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage. The use of NissanConnect on-board internet is made possible via an integrated wireless internet connection. Data packets are to be obtained via selected external mobile communication providers in accordance with their terms and conditions (depending on the availability in your country).
⁽⁵⁾ Feature available depending on version, as standard or only as option (at an extra charge).
⁽⁶⁾ Amazon, Alexa and all related marks are trademarks of Amazon.com, inc. or its affiliates. Alexa Built-In available in England, France, Germany, Spain, Italy.
⁽⁷⁾ Nissan on Google Assistant* and Alexa, Driving History & Analysis, Nissan Help & Assistance, Breakdown Assistance are available free of charge for a period of 7 years, depending on model and/or grade.
The feature responsiveness and use can be impacted when car is receiving a bad signal. For optimal use, please make sure your car is under good network coverage.
*Google is sunsetting Conversational Actions for Google Assistant. As of 13.06.2023 Google Assistant users will be no longer able to interact with compatible cars from home. The rest of Google Assistant functionality continues as normal.

Safety and car health

In trouble? Breakdown Assistance calls roadside assistance services when you need them, while Vehicle Health Report informs you of the status of your car

Navigation & driving

Get where you need to go with Door-to-Door Navigation by sending a navigation route straight from your smartphone to your navigation system. With Driving History & Analysis, check the distance you've driven, the number of trips you've made and more in the NissanConnect Services App

Connectivity

Connect your Android or iOS device for seamless connectivity including voice control⁽³⁾. Access your favourite music, messaging and other Apps to stay informed and entertained as you drive.

Convenience and comfort

Access remote services including Remote Door Lock/Unlock, Remote Horn/Lights and My Car Finder from the NissanConnect Services App⁽⁴⁾. And if you ever need help, Nissan Assistance is just a click away.

Family Size Matters for this Electrified Family SUV

Forget the usual hassle of loading child seats. With rear doors that open to 85° and versatile seating layouts for up to 7*, stress-free family adventures start the moment you leave. Whether in the front, 2nd or 3rd row seats, all passengers can relax with 3-Zone Air Conditioning* and ergonomic seats for comfort on the longest journeys.

7 seats

5 seats

4 seats

Discover the details
that make a difference

Family adventures are more comfortable with design details that make your journeys smoother. From rear-window sunshades* that roll neatly away, to USB ports* in the 1st and 2nd row to keep everyone's devices fully charged. When it comes to loading, enjoy up to 16 configurations with adaptable luggage boards* and 60:40 sliding 2nd row to personalise your load space even further and ensure easy access to 3rd row.

Floating centre console

Butterfly opening central console

Isofix fixing

Rear Sunshade*

USB ports in the 2nd row*

3-zone air conditioning*

*Feature available depending on version, as standard or only as option (at an extra charge).

85° rear door opening

Tailor your All-New Nissan X-Trail with Nissan Genuine accessories

Take your family on any adventure with comfort by customizing your X-Trail with Nissan Genuine accessories. From cross bars to side steps your X-Trail can adapt to all your family and trip needs. Discover more accessories by contacting your closest Nissan dealer.

ROOF BOXES  Increase your X-Trail's versatility with this custom-built roof box. Available in four different sizes, starting from 90L & available in medium and large sizes from 480L to 630L capacity.

Ranger 90L – 290L Capacity – 7kg
Small – 380L Capacity – 13kg
Medium – 480L Capacity – 15kg
Large – 630L Capacity – 17.5kg

REAR BUMPER PROTECTOR
Designed to fit your X-Trail, it protects your rear bumper from scratches and other wear when you load or unload your trunk.

TOW BAR
Towing capacity up to 2,000kg* Vertical load 100kg.

REVERSIBLE TRUNKLINER
One side rubber, one side velour.

ILLUMINATED WIRELESS KICK PLATE
For premium look and easy to clean, it helps protect your car from scratches and other wear.

SIDE STEP
Complete that SUV look by adding side step specifically made to assist in vehicle entry and exit.

KOGARASHI WINTER WHEEL 18"  Black or silver.

LUXURY FLOOR MATS
Crafted with denser fibers than our velour mats for a soft, comfortable feel and everyday durability.

VELOUR FLOOR MATS
Protection, quality and safety, designed to fit the new X-Trail's cabin perfectly.

RUBBER FLOOR MATS
Rubber floor mats are easy to clean and they may better protect your car from grime and moisture. They offer durability and longevity.

CROSS BARS
Steel bars integrated into existing roof rails. Maximum weight limit of 75kg.

Accessories and any additional equipment fitted by the customer may have an impact on the communicated range figures of the car. Nissan Genuine Accessories are covered by the new vehicle warranty of 3 years/100,000km (whatever comes first), if fitted by a Nissan dealer or Nissan repairer before Vehicle Handover or during the new vehicle warranty period. Genuine Accessories fitted outside of the new vehicle warranty period or by a Third Party or by the Customer are only covered by the Nissan Genuine Parts and Accessories Warranty of 12 months/unlimited mileage.

 Nissan Select Accessories provided by Nissan approved partners. They are providing warranty under their terms and conditions, which are one year warranty minimum. For further details please contact your Nissan dealer.

*Max. towing capability is dependent on grade, specification, and powertrain.
